Procedures
Parts Ordering and Warranty Policies

Course pre-registration is required as seating is limited. To reserve a seat, each student must submit the pre-registration form with a non-refundable deposit of 50% of cost*. The balance must be paid in full prior to the start of the chosen session. The session will be considered full when (6) applications and corresponding deposit(s) have been received (minimum 4 – maximum 6)**. All fees are non-refundable. If a cancellation is received (15) days before the start of the scheduled session, applicant will be given credit to attend a future session (subject to availability) for up to 12 months from date of original course date. If cancellation is less than (10) days of the scheduled session, applicant will forfeit tuition paid. Student seats/tuition are non-transferrable without prior approval from Compressed Air Supplies & Equipment, INC. Transfer can only be accepted in writing a minimum (15) days before course begins. Any non-approved transfers will result in seat and tuition forfeiture by original student. The cost covers the course fee, as well as study materials and workshop manuals, which are retained by the students. A certificate of completion is awarded to each student at the conclusion of the session.*** Students must wear appropriate shop attire i.e. closed toe shoes, long legged pants, and regular tee shirt. Failure to comply will be grounds for dismissal from course and the course fee will not be refunded. Accommodations and travel are the responsibility of the student or their sponsor.

*Seats will not be reserved unless payment is made

**All students must be pre-approved by CASE

***Certificates issued apply solely to client's compressor
